Saroja lives in a village with her parents, aunt and beautiful elder sister Lalitha. Saroja s life is uncomplicated, and simple things give her joy like the birth of a calf or a taste of one of Chingleput s sweets. Lalitha, on the other hand, believes she is too good for the village. Ambitious and spoilt, she has dreams of being a movie star that are fulfilled when a film-maker casts her in his documentary on village life. Overnight Lalitha becomes the talk of the town; her latent sexuality manifests itself and she uses her elevated status to her advantage. Basking in Lalitha s reflected glory Saroja tries to imitate her womanly wiles, which results in confused ideas about sexuality and ambition. But when the family is faced with a scandal, Saroja emerges with a practical outlook on life. About the Author : - Kamala Markandaya (1924 2004) was born in Mysore. Nectar in a Sieve and A Handful of Rice continue to be taught in universities in India and abroad.

How do you clothe a book? In this deeply personal reflection, Pulitzer Prize–winning author Jhumpa Lahiri explores the art of the book jacket from the perspectives of both reader and writer. Probing the complex relationships between text and image, author and designer, and art and commerce, Lahiri delves into the role of the uniform; explains what book jackets and design have come to mean to her; and how, sometimes, “the covers become a part of me.” On an English novel by Kamala Markandaya, b. 1924, Indo-Anglian novelist.

"Kamala Markandaya, whose Nectar in a Sieve (1955) was a miniature epic about India's poor, returns to the earlier concerns of that book in A Handful of Rice. Ravi is a village son who has left his desolate, destitute home for the promise of the city. There he falls into the company of similarly rootless young men, presided over by the wily city boy, Damodar, who appears fitfully through the book as a seducer to criminal and get-rich-quick schemes which Damodar is clever enough to survive and thrive by. By a chance misdeed, Ravi becomes acquainted with the tailor Apu and his family; Apu's daughter Nalini wins his heart and brings him from the streets into the already crowded household, first as Apu's apprentice, then his son-in-law. The author

recreates the life of the respectable poor with moving fidelity as they face the problems of food, illness, unemployment. When Apu dies, the still rebellious but worn Ravi, now a father of three and head of the household, cannot keep his customers. After the death of his son, he reverts to the street, but Damodar now discards him as unfit for dangerous enterprises, and he ends storming the rice supplies with the mob. A portrait in poverty, which is part of the history of our times. It is less compelling than the earlier book as a novel while managing the same concerned compassion."--Kirkus

Based on the original edition; first publication was in the USA in 1954. In a small village in India, a simple peasant woman recalls her life as a child bride, a farmer's wife, and a devoted mother amidst fights to meet changing times, poverty, and disaster. This is the very moving story of a woman in India whose whole life was a gallant and persistent battle to care for those she loved. Markandaya's first published novel *Nectar in a Sieve* was a bestseller and cited as an American Library Association Notable Book in 1955. Its depiction of rural India and the suffering of its poor made it popular in the West.

Prince Rabi, the fiercely proud heir to the throne of Devapur, and Sophie, the headstrong daughter of the British Resident, have known each other from childhood. Growing up in a world fraught with political intrigue and divided loyalties, both were aware of the troubled alliance that existed between the British and the Indians—and of the boundary between them that they were forbidden to cross. But all this changes one night when, during the revelries of a village festival, the two find themselves passionately drawn to each other. Realizing what is at stake, the lovers dare to defy every rule of class and race—only to find themselves torn apart on the crossroads of desire and destiny. Panoramic in its sweep and intimate in its portrayal of human relationships, *The Golden Honeycomb* is an epic love story set against the splendour and turbulence of the British Raj and the growing struggle for Indian independence.

Lalu Nathoy's father called his thirteen-year-old daughter his treasure, his "thousand pieces of gold," yet when famine strikes northern China in 1871, he is forced to sell her. Polly, as Lalu is later called, is sold to a brothel, sold again to a slave merchant bound for America, auctioned to a saloonkeeper, and offered as a prize in a poker game. This biographical novel is the extraordinary story of one woman's fight for independence and dignity in the American West. Why are you still alive-why didn't you die?' Years on, Sarita still remembers her mother's bitter words uttered when as a little girl she was unable to save her younger brother from drowning. Now, her mother is dead and Sarita returns to the family home, ostensibly to take care of her father, but in reality to escape the nightmarish brutality her husband inflicts on her every night. In the quiet of her old father's company Sarita reflects on the events of her life: her stultifying small town childhood, her domineering mother, her marriage to the charismatic young poet Mahohar.

It is 1933 and Mikhail Bulgakov's enviable career is on the brink of being dismantled. His friend and mentor, the poet Osip Mandelstam, has been arrested, tortured, and sent into exile. Meanwhile, a mysterious agent of the secret police has developed a growing obsession with exposing Bulgakov as an enemy of the state. To make matters worse, Bulgakov has fallen in love with the dangerously candid Margarita. Facing imminent arrest, and infatuated with Margarita, he is inspired to write his masterpiece, *The Master and Margarita*, a scathing novel critical of both power and the powerful. Ranging between lively readings in the homes of Moscow's literary elite to the Siberian Gulag, Mikhail and Margarita recounts a passionate love triangle while painting a portrait of a country whose towering literary tradition is at odds with a dictatorship that does not tolerate dissent. Margarita is a strong, idealistic, seductive woman who is fiercely loved by two very different men, both of whom will fail in their attempts to shield her from the machinations of a regime hungry for human sacrifice. Debut novelist Julie Lekstrom Himes launches a rousing defense of art and the artist during a time of systematic deception, and she movingly portrays the ineluctable consequences of love for one of history's

most enigmatic literary figures.

The Paschal Mystery of Christ's Cross and Resurrection is the pinnacle of God's redemptive plan for his people. In *Jesus Christ: Source of Our Salvation*, students delve deeply into the saving actions of the Lord. This text unpacks the meaning of God's sacred and mysterious plan from creation, onward to the consequences of the fall and the promise of a Savior, while ultimately focusing on the Life, Passion, Death, and Resurrection of Jesus Christ. Gathering Fifth Business, *The Manticore*, and *World of Wonders* together, *The Deptford Trilogy* has been hailed as a modern classic and is available as an eBook for the first time. Woven around a mysterious death, the novels trace the rich and varied, and fatefully linked, lives of Dunstan Ramsay, David Staunton, and Magnus Eisengrim. Davies has created a beguiling, fantastical, cunningly contrived trilogy of novels, luring the reader down labyrinthine tunnels of myth, history, and magic and providing an exhilarating antidote to a world from where "the fear and dread and splendor of wonder have been banished."

An unlikely friendship helps create beauty and luxury in a coastal paradise. When British multinational AIDCORP lands a project to build a tourist complex—Shalimar—in a coastal village in south India, Mr Tully, one of the directors, arrives at the village to oversee the construction. There he meets Rikki, an orphaned fisher boy, and a deep and abiding friendship arises between the two, notwithstanding the gulf between their lives. The fisher community is torn when half the fishermen begin to work with the company, leaving the other half to suffer from a shrinking catch. Rikki must find a way to pay off his parents' debt, but he cannot abandon his life near the sea. Thanks to his fluent English, learned from an old English couple who used to live in the village, he begins to work for Tully. Though they come from vastly different worlds, Tully and Rikki learn to accept and value each other: a human relationship forged from the shared human need for goodwill, affection and understanding. It is with the help of this alliance of mutual respect that Shalimar is successfully built, and Tully manages to restore Avalon, a mansion his grandfather built in the area. *Pleasure City* explores the issues of the interaction between East and West, native tradition and imported technology, in the context of the scientific and technical development of an India that is, well after Independence, racing ahead to forge its postcolonial identity. It is an identity that, like Shalimar, grows from collaboration between East and West, and mutual exchange of ideas and knowledge.

The Coffers is an absorbing tale about mechanical strength and spiritual weakness, physical certainties and moral doubts. It is set in modern India but the conflict of values at its heart is universal. John Masters Clinton, founder and head of a firm of international construction engineers, arrives in India to build a dam, bringing with him his young wife, Helen, and a strong team of aides and skilled men. They are faced with a formidable project, which involves working in daunting mountain and jungle terrain, within a time schedule dictated by the extreme tropical weather. Inevitable setbacks occur; accidents and friction among the mixed labor force present further complications. But to Clinton the building of the dam is more than a challenge; it is an obsession not, however, shared by Helen. Appalled by her husband's concern with structures rather than with men, she turns to the local Indian tribesmen, finding in them the human values she finds lacking in the British camp. With relations between the Clintons becoming increasingly raw-edged, the first rains fall and, as the torrents sweep the valley and the level of the river rises, so does the tension in the beleaguered camp. The vital question looms: to breach the coffers, or allow them to stand, thereby placing the lives of the tribesmen in

The Nowhere Man is an intricate, perceptive tragedy of alienation centered around the violent racism sparked by Britain's post-war immigration drive. Srinivas, an elderly Brahmin, has been living in south London suburb for 30 years. After the death of his son, and later his wife, this lonely man is befriended by an Englishwoman in her sixties, whom he takes into his home. The two form a deep and abiding relationship. But the haven they have created for themselves proves to be a fragile one. Racist violence enters their world and Srinivas's life changes irrevocably--as does his dream of England as a country of tolerance and equality. First published in 1972, The Nowhere Man depicts a London convulsed by fear and bitterness. Truly shocking, The Nowhere Man is as relevant today as when it was first published almost fifty years ago.

Six colourful, comic characters inhabit A Backward Place. All but one are Westerners who have come to Delhi to experience an alternative way of life. But, far from being hippies, their ability to adapt to this exotic culture often leaves something to be desired. Etta, an aristocratic, faded beauty maintains her Parisian chic while Clarissa talks enthusiastically about the simple life but stops short of ever roughing it herself. On the other hand Bal, the one Indian protagonist, holds quite Western aspirations to Hollywood glamour. A Backward Place humorously explores contradictions in attitudes and lifestyles and the interplay between culture and individuality. But it is also a Dickensian drama, charting the highs and lows of everyday life against the enchanting backdrop of a bustling Indian city.

She saw one of her infants die from starvation, her daughter become a prostitute, and her sons leave the land for jobs which she distrusted.
