

The Replacement Brenna Yovanoff

Fans of *Lady Bird* will love this novel about a good girl who dreams herself into a bad boy's room in this lyrically romantic novel that Maggie Stiefvater, author of *The Raven King*, says she read and "woke up satisfied." Waverly Camdenmar spends her nights running until she can't even think. Then the sun comes up, life goes on, and Waverly goes back to her perfectly hateful best friend, her perfectly dull classes, and the tiny, nagging suspicion that there's more to life than student council and GPAs. Marshall Holt is a loser. He drinks on school nights and gets stoned in the park. He is at risk of not graduating, he does not care, he is no one. He is not even close to being in Waverly's world. But then one night Waverly falls asleep and dreams herself into Marshall's bedroom—and when the sun comes up, nothing in her life can ever be the same. In Waverly's dreams, the rules have changed. But in her days, she'll have to decide if it's worth losing everything for a boy who barely exists. "Waverly and Marshall burn brightly . . . both refreshingly flawed as they come into their own. Readers will forgo sleep themselves to witness their vibrant, aching real story unfold. A brilliant romance." —Kirkus Reviews, Starred "A tightly woven, luminously written novel that captures the uncertain nature of high school and the difficult path of self-discovery." —Booklist, Starred "Yovanoff offers a multilayered exploration of human connections, particularly those that manifest in unpredictable ways."—Publishers Weekly, Starred

From acclaimed and New York Times bestselling YA authors Maggie Stiefvater, Tessa Gratton, and Brenna Yovanoff comes *The Curiosities: A Collection of Stories*. ? A vampire locked in a cage in the basement, for good luck. ? Bad guys, clever girls, and the various reasons why the guys have to stop breathing. ? A world where fires never go out (with references to vanilla ice cream). These are but a few of the curiosities collected in this volume of short stories by three acclaimed practitioners of paranormal fiction. But *The Curiosities* is more than the stories. Since 2008, Maggie, Tessa, and Brenna have posted more than 250 works of short fiction to their website www.merryfates.com. Their goal was simple: create a space for experimentation and improvisation in their writing?all in public and without a backspace key. In that spirit, *The Curiosities* includes the stories and each author's comments, critiques, and kudos in the margins. Think of it as a guided tour of the creative processes of three acclaimed authors.

Named a "Best Book of 2015" by Bustle, Book Riot, Chicago Public Library, Quill and Quire, and the B&N Teen Blog! The sheriff's son, Kellan Turner, is not the golden boy everyone thinks he is, and Romy Grey knows that for a fact. Because no one wants to believe a girl from the wrong side of town, the truth about him has cost her everything—friends, family, and her community. Branded a liar and bullied relentlessly by a group of kids she used to hang out with, Romy's only refuge is the diner where she works outside of town. No one knows her name or her past there; she can finally be anonymous. But when a girl with ties to both Romy and Kellan goes missing after a party, and news of him assaulting another girl in a town close by gets out, Romy must decide whether she wants to fight or carry the burden of knowing more girls could get hurt if she doesn't speak up. Nobody believed her the first time—and they certainly won't now—but the cost of her silence might be more than she can bear. With a shocking conclusion and writing that will absolutely knock you out, Courtney Summers' new novel *All the Rage* examines the shame and silence inflicted upon young women in a culture that refuses to protect them.

"Brutally beautiful — not like anything else you'll read this year, or any other." - Cassandra Clare, #1 New York Times bestselling author of *Clockwork Angel* Kit and Fancy Cordelle are sisters of the best kind: best friends, best confidantes, and best accomplices. The daughters of the infamous Bonesaw Killer, Kit and Fancy are used to feeling like outsiders, and that's just the way they like it. But in Portero, where the weird and wild run rampant, the Cordelle sisters are hardly the oddest or most dangerous creatures around. It's no surprise when Kit and Fancy start to give in to their deepest desire—the desire to kill. What starts as a fascination with slicing open and stitching up quickly spirals into a gratifying murder spree. Of course, the sisters aren't killing just anyone, only the people who truly deserve it. But the girls have learned from the mistakes of their father, and know that a shred of evidence could get them caught. So when Fancy stumbles upon a mysterious and invisible doorway to another world, she opens a door to endless possibilities....

A brand new Skulduggery Pleasant novella for World Book Day: a hilarious and thrilling standalone story in the internationally bestselling series – perfect for new readers, and essential for Skulduggery fans...

Though he lives in the small town of Gentry, Mackie comes from a world of tunnels and black, murky water, a world of living dead girls ruled by a little tattooed princess. He is a replacement - left in the crib of a human baby sixteen years ago when it was stolen away by the fey. Now, because of fatal allergies to iron, blood and consecrated ground, Mackie is slowly dying in the human world. Mackie would give anything just to be normal, to live quietly amongst humans, practice his bass guitar and spend time with his crush, Tate. But when Tate's baby sister goes missing, Mackie is drawn irrevocably into the underworld of Gentry, known as Mayhem, where he must face down the dark creatures and find his rightful place - in our world, or theirs.

The Nevermoor series meets *Hotel Transylvania* in this dazzling debut middle grade adventure set in a world of talking spiders, living forests, and haunted castles about a vampire girl who wants to fit in but first must defeat an evil ghost. After one hundred years of being a vampire, it's time for Eleonora to have her Birthnight. Since Leo's last rite of passage, her Grimwalk, ended with her losing her right leg and a good deal of her confidence, she's hoping to redeem herself in the eyes of her mother, the fearsome Lady Sieglinde. All Leo has to do is hunt down and kill her first prey, and she already has the perfect plan. After all, who will miss an orphan from the bleak St. Frieda's Home for Unwanted Children? But an accidental fire causes more death and destruction than Leo bargained for. Instead of killing one carefully selected victim, she's created several ghosts from the orphanage residents. And one sinister specter, the Orphanmaster, is poised to terrorize the living residents in a nearby town. To stop him and try to undo some of the mess she's made, Leo must team up with the orphan ghost Minna. Will Leo have the chance to prove herself as a vampire

before her Birthnight is over, or will she discover that there are no winners in the battle of undead versus undead? Mackie Doyle is The Replacement - left in the crib of a human baby sixteen years ago. He has been raised among us. But he is not one of us. Now, he must face the dark creatures of the slag heaps from which he came and find his rightful place - in our world or theirs. "Unsettling villains and intriguing moral ambivalence make this effort shockingly original and . . . breathtaking." - Booklist, starred review "Even after finishing the book, readers will be left with the eerie sensation that . . . the true darkness has yet to abate." - BCCB, starred review "Well-developed characters, a fascinating Fairy Court, an exciting story line, wicked cover art . . .this book has the makings of a success." - Publishers Weekly "A fast-paced, dark delicacy." - Kirkus Reviews

Phoebe finds herself drawn to Mallory, the strange new girl in school, and the two soon become as close as sisters. Then Mallory's magnetic older brother, Ryland, shows up during their junior year. Ryland has an immediate hold on Phoebe - but a dangerous hold, for she begins to question her feelings about her best friend and, worse, about herself. Soon Phoebe discovers the shocking truth about Ryland and Mallory: that they are from the faerie realm, here to collect on an age-old debt. And the price of that debt could cost Phoebe everything. But with the help of her friend Ben, Phoebe ultimately learns her own worth and breaks the generations-old curse. "Werlin crafts her characters so deftly and unrolls the story so cleverly . . . readers will be under the spell to the end." - Booklist "A compelling tale of friendship and a refreshing antidote to faerie stories about that one special girl deserving of supernatural love." - Kirkus Reviews

"YA science fiction at its best." - Jay Kristoff, New York Times bestselling author of *The Aurora Cycle* and *Illuminae* "A unique and engrossing yarn." - Pierce Brown, #1 New York Times bestselling author of the *Red Rising Saga* From acclaimed Morris finalist Len Vlahos comes a grounded sci-fi story about a boy who's more than human, perfect for fans of *Westworld* and *LIFEL1K3*. Quinn thinks he's a normal fifteen-year-old. He plays video games, spends time with his friends, and crushes on a girl named Shea. But a shocking secret brings his entire world crashing down: he's not a boy. He's artificial intelligence. After Quinn "wakes up," he sees his world was nothing more than a virtual construct. He's the QUantum INtelligence Project, the first fully-aware A.I. in the world--part of a grand multi-billion-dollar experiment led by the very man he believed to be his dead father. But as Quinn encounters the real world for the first time, his life becomes a nightmare. While the scientists continue to experiment on him, Quinn must come to grips with the truth: his mom and brother don't exist. His friends are all adults who were paid to hang out with him. Even other super computers aren't like him. Quinn finds himself completely alone--until he bonds with Shea, the real girl behind the virtual one. As Quinn explores what it means to truly live, he questions who he can trust. What will it take to win his freedom . . . and where does he belong? Award-winning author Len Vlahos offers a perfect blend of science fiction and contemporary in this unputdownable, high stakes tale that explores big questions about what it means to be human.

The follow-up to the acclaimed title *The Curiosities: A Collection of Stories* by Maggie Stiefvater, Tessa Gratton, and Brenna Yovanoff. In an unassuming corner of Brooklyn, a young woman learns to be ladylike, to love context, and to speak her mind from a very curious sort of tutor. In a faraway land convulsed by war, a young soldier hears the desert's curious hum as he disarms bombs with the person he doesn't know how to love. In a place so shriveled by drought that any drowning is a curiosity, a young writer tries again and again to tread water beneath the surface of a vast and unusual sea. Three new stories—complete with commentary on the creative process—from three acclaimed young adult authors working at the height of their powers. Curious? In the spirit of *DRAGON RIDER* and *THE THIEF LORD*, an enchanting fairy tale told with Cornelia's trademark warmth and wit: Perfect Funke fare for readers in the middle grades--Cornelia's "sweet spot"! Igraine dreams of becoming a famous knight just like her great grandfather, but the truth is, life at the family castle is rather boring. Until the nephew of the baroness-next-door shows up. He's got a dastardly plan to capture the castle and claim as his own the wonderful singing spell books that belong to Igraine's magician parents. To make matters worse, at the very moment of the siege, her mom and dad botch a spell, turning themselves into pigs! Aided by a Gentle Giant and a Sorrowful Knight, it's up to Igraine to be brave and save the day--and the books!

The city of Ludlow is gripped by the hottest July on record. The asphalt is melting, the birds are dying, petty crime is on the rise, and someone in Hannah Wagner's peaceful suburban community is killing girls. For Hannah, the summer is a complicated one. Her best friend Lillian died six months ago, and Hannah just wants her life to go back to normal. But how can things be normal when Lillian's ghost is haunting her bedroom, pushing her to investigate the mysterious string of murders? Hannah's just trying to understand why her friend self-destructed, and where she fits now that Lillian isn't there to save her a place among the social elite. And she must stop thinking about Finny Boone, the big, enigmatic delinquent whose main hobbies seem to include petty larceny and surprising acts of kindness. With the entire city in a panic, Hannah soon finds herself drawn into a world of ghost girls and horrifying secrets. She realizes that only by confronting the Valentine Killer will she be able to move on with her life - and it's up to her to put together the pieces before he strikes again.

Orson Scott Card's *The Lost Gate* is the first book in the *Mithermages* series from the New York Times bestselling author of *Ender's Game*. Danny North knew from early childhood that his family was different, and that he was different from them. While his cousins were learning how to create the things that commoners called fairies, ghosts, golems, trolls, werewolves, and other such miracles that were the heritage of the North family, Danny worried that he would never show a talent, never form an outself. He grew up in the rambling old house, filled with dozens of cousins, and aunts and uncles, all ruled by his father. Their home was isolated in the mountains of western Virginia, far from town, far from schools, far from other people. There are many secrets in the House, and many rules that Danny must follow. There is a secret library with only a few dozen books, and none of them in English — but Danny and his cousins are expected to become fluent in the language of the books. While Danny's cousins are free to create magic whenever they like, they must never do it where outsiders might see. Unfortunately, there are some secrets kept from Danny as well. And that will lead to disaster for the North family. The *Mithermages* series *The Lost Gate* *The Gate Thief* *Gatefather* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In *Whales on Stilts*, a madman has unleashed an army of stilt-walking, laser-beaming, thoroughly angry whales upon the world! Luckily, Jasper Dash and his friends Katie Mulligan and Lily Gefelty are around to save the day.

Camden Pike has been grief-stricken since his girlfriend, Viv, died. Viv was the last good thing in his life: helping him rebuild his identity after a career-ending football injury, picking up the pieces when his home life shattered, and healing his pain long after the meds wore off. And now, he'd give anything for one more glimpse of her. But when Cam makes a visit to the site of Viv's deadly car accident, he sees some kind of apparition. And it isn't Viv. The apparition's name is Nina, and she's not a ghost. She's a girl from a parallel world, and in this world, Viv is still alive. Cam can't believe his wildest dreams have come true. All he can focus on is getting his girlfriend back, no matter the cost. But things are different in this other world: Viv and Cam have both made very different choices, things between them have changed in unexpected ways, and Viv isn't the same girl he remembers. Nina is keeping some dangerous secrets, too, and the window between the worlds is shrinking every day. As Cam comes to terms with

who this Viv has become and the part Nina played in his parallel story, he's forced to choose - stay with Viv or let her go - before the window closes between them once and for all.

A highly original and magical debut novel, about Tom, caught between his elfin home and the world of humans. It combines a gripping story and strong characters with powerful images and insights into what it is that makes us human.

"There are secrets around every corner in Fayette, Pennsylvania. Tessa left when she was nine and has been trying ever since not to think about what happened there that last summer. She and her childhood best friend, Callie, never talked about what they saw. Not before the trial. And certainly not after. But Tessa still has questions. Things have never quite added up. And now she has to go back to Fayette--to Wyatt Stokes, sitting on death row; to Lori Cawley, Callie's dead cousin; and to the one other person who may be hiding the truth. Only, the closer Tessa gets to what really happened, the closer she gets to a killer--and this time, it won't be so easy to run away." -- Page [4] cover.

As Shreve Cannon's ability to absorb the memories of others has him teetering on the edge of insanity, he returns to the custody of the state of Arkansas, this time in a mental institution, but he must collect himself and find Jack, the Twelve-Fingered Boy, if he is to stop an unspeakable evil that is stirring in Baltimore.

This enchanting Newbery Honor Book is a "magical find" (School Library Journal). Half moorfolk and half human, and unable to shape-shift or disappear at will, Moql threatens the safety of the Band. So the Folk banish her and send her to live among humans as a changeling. Named Saaski by the couple for whose real baby she was swapped, she grows up taunted and feared by the villagers for being different, and is comfortable only on the moor, playing strange music on her bagpipes. As Saaski grows up, memories from her forgotten past with the Folks slowly emerge. But so do emotions from her human side, and she begins to realize the terrible wrong the Folk have done to the humans she calls Da and Mumma. She is determined to restore their child to them, even if it means a dangerous return to the world that has already rejected her once.

Nick and his brother Alan are on the run with their mother, who was once the lover of a powerful magician. When she left him, she stole an important charm - and he will stop at nothing to reclaim it. Now Alan has been marked with the sign of death by the magician's demon, and only Nick can save him. But to do so he must face those he has fled from all his life - the magicians - and kill them. So the hunted becomes the hunter... but in saving his brother, Nick discovers something that will unravel his whole past...

Winner of the Schneider Book Award The award-winning author of the Elemental series delivers a rock-and-roll novel that Lauren Myracle called "raw, fresh, funny, and authentic." The Challenge: Eighteen-year-old Piper has one month to get her high school's coolest rock band Dumb a paying gig. The Deal: If she does it, Piper will become the band's manager and get her share of the profits. The Catch: How can Piper possibly manage a band made up of an egomaniacal pretty boy, a talentless piece of eye candy, a silent rocker, an angry girl, and a crush-worthy nerd boy? And how can she do it when she's deaf? Piper is determined to show her classmates that just because she's hearing impaired doesn't mean she's invisible. With growing self-confidence, a budding romance, and a new understanding of her parent's decision to buy a cochlear implant for her deaf baby sister, she discovers her own inner rock star and what it truly means to be a flavor of Dumb. For fans of K. L. Going's *Fat Kid Rules the World* and Catherine Gilbert Murdock's *Dairy Queen*.

Being the youngest daughter of the Devil has never been easy. Daphne's father has no time for her, her mother no interest, and her status in the upper echelon separates her from the working-class demons that populate Lucifer's metropolis. When her brother and only confidante goes missing, life in the restrictive city of Pandemonium becomes intolerable. Now, in an attempt to find him, Daphne sets out for Earth - and finds it larger and more chaotic than she imagined: a dazzling expanse of noise, dirt and random violence. Despite her bewilderment, she navigates the mortal world with growing fascination, gaining an ally when she saves a dying boy from her father's minions. For Truman Flynn, the last year has been one long downward spiral, but when Daphne arrives just in time to save his life, he finds himself unexpectedly glad to have another chance. Together, Daphne and Truman go in search of her brother, braving the hazards of Las Vegas and the perils of first love, even as it becomes increasingly clear that her brother might have had a secret and compelling reason for leaving. Lucifer's agents aren't the only creatures on the prowl, and Daphne soon finds herself the target of a plan to rid the world of demons for good. Now she must evade a demon-eating monster, rescue her brother from an angelic zealot, and save the boy she loves from his greatest enemy - himself.

Seventeen-year-old Kendall, who suffers from obsessive-compulsive disorder, lives with her parents on a potato farm in a tiny community in Montana, where two teenagers go missing within months of each other, with no explanation.
